Sir

Subject Acquisition of a house and site in the Durgigudi Extension - Shimoga Town, for forming a road

Adverting to your memo No L 913/41 dated 21st July 43, forwarding copy of letter to the Compiler Mysore Gazette, requesting him to cause the publication of preliminary notifications under section 4 & 5 of the Land Acquisition Act in respect of the above noted properties, I have the honour to state, that it is reported by the Sub Division Officer Shimoga, who has heard objections of parties, that Revd Mr P C Sargant, Superintendent, Methodist Mission, Shimoga, has objected to the acquisition of the properties on the following grounds

1) That house in question could be saved by taking a slight bend (in the road how proposed) to the northern side of his house in the site of another private person This would involve lesser cost

2) That the acquisition of the house had been abandoned in the past on account of the excessive cost involved

3) That in view of the difficulty of evacuating the property and building or providing fresh quarters at such a time, the acquisition, may be put off till a more favourable date in future

4) That even if with all this the properties are to be acquired, he may be granted compensation of Rs 5000/- for the property The Sub Division Officer, considers that these objections are frivolous and not worthy of paying any ~~services~~ serious consideration in view of the considered plan of action of the Municipal Council and also the urgency of ~~for~~ forming the road

5 The Sub Division Officer has consulted the Executive Engineer Shimoga, in the matter of the value of the existing ~~two~~ building which is

proposed to be acquired The approximate value as per the Public Works Department estimate is Rs 1280/- Added to this, the side value at Re 1/ per Square yard which is reported to be the rate prevailing in the locality, and the 3 A at 15% considering the urgent nature of the acquisition, the Sub Division Officer, states the probable cost of acquisition would come to Rs 1359/- as against a sum of Rs 1322-8-0, placed at his disposal by the Municipality He says he has addressed the Municipal authorities to place the excess amount as well at his disposa

6 In these circumstances, I request that sanction of Government may kindly be obtained for the acquisition of the properties, the Sub Divisi Officer, Shimoga may be empowered to perform the functions of a Deputy Commissioner, under the Land Acquisition Act, and to th take order for the acquisition of the properties, in question,

7 The final Declaration ~~Statements~~ under Sec 6 & 7 (3) C of the Land Acquisition Act, in duplicate, both in English and Kannada are countersigned and enclosed for being kindly forwaided to the Compiler Mysore Gazette for publication in the Mysore Gazette I also request that 25 spare copies of the Kannada Declaration Notifications may kindly be caused to be supplied to the Land Acquisition Officer, Shimoga direct from t the press for the local publication
